

UPUTE ZA VIZUALNO PRETRAŽIVANJA ŽIGOVA

Za korištenje funkcionalnosti vizualnog pretraživanja žiga potrebno je pristupiti TMview bazi na adresi <https://www.tmdn.org/tmview/welcome> te slijediti niže navedena 4 koraka:

1. Kliknuti na ikonu kako bi se otvorio okvir u koji je potrebno učitati sliku.

The screenshot shows the 'Find term' search interface. At the top, there is a search bar with a dropdown menu set to 'Contains' and a placeholder 'Search by trade mark name, application and registration number.' To the right of the search bar are 'Search' and 'Clear' buttons. A camera icon is located at the top right of the search bar, which is highlighted with a red box. Below the search bar is a large input area with a dashed border. Inside this area, there is a blue cloud icon with an upward arrow, followed by the text 'Drag and drop an image or upload it from your computer < 2MB.' Below this text are four file format buttons: 'JPG', 'PNG', 'GIF', and 'TIFF'. At the bottom left of this input area, there is a note: 'This is a beta functionality, currently supported by these offices: CZ, EM, IT, GB, ES, SK, EE, BG, FR, RO, GR, IE, LT, MT, SE, HR'. On the far right of the input area are two small icons: a grid and a list. At the very bottom left of the interface is a 'Advanced search' button.

2. Sliku je moguće učitati u četiri različita formata (JPG, PNG, GIF and TIFF). Nakon što je slika učitana, crvenim kvadratom označava se dio slike koji se želi pretraživati.

The screenshot shows the same 'Find term' search interface as the previous one. The camera icon at the top right of the search bar is now highlighted with a red box. The main search area contains a yellow flower illustration. A red rectangular box is drawn over the center of the flower, indicating the specific area being searched. Below the flower, there is a 'Change image' button. To the right of the flower, there is a note: 'Click on the red box, or draw your own by clicking-and-dragging on image to select an area.' Underneath this note, there is an 'Advanced Options' section with a 'Colour' checkbox. At the bottom left of the interface, it says 'Beta Powered by TrademarkVision'. On the far right, there are icons for a grid and a list.

3. Nakon što je slika označena, potrebno je pokrenuti pretraživanje klikom na *Search*, nakon čega se prikazuju žigovi slični učitanoj slici.
